

Up to 700 prints
without changing
consumables!

High printing capacity

Cost-Effective Operation

Easy Maintenance

New Opportunities
with Sticker Media

BUILT ON TRUST. READY FOR MORE.

High capacity, controlled costs, and new applications thanks to the Sticker media.

The RX2 builds on the strengths that made the RX1HS a success while opening the door to new applications through support for Sticker Media. Designed for imaging professionals, it combines high productivity, easy integration, and controlled operating costs, while reducing media changeovers to ensure smooth, uninterrupted production, even during peak periods.
